JUNE 2021

BRAND GUIDELINES

Maximizing the impact of the ACVR CT/MRI Society brand

Awareness and comprehension of the ACVR, CT/MRI Society brand can be achieved through consistent, proper usage of logos, colors and typefaces. The following guidelines will help us create communications that make a clear and strong impression. The logo is the graphic representation of the brand. Everyone using the logo, regardless of application, must ensure that it is positioned in a way that lets it fulfill the role as a powerful and memorable image that identifies ACVR, CT/MRI Society at a glance.

When writing about the organization in any document, consistent usage must be maintained. It must always be presented as ACVR, ACVR, CT/MRI Society.

Logo Colors

The official logo colors are listed on next page. No other colors may be substituted. If color printing is not an option, the logo may be printed in black, as specified on next page.

Logo Typeface

Open Sans Light is preferred typeface for the ACVR initials.
Larsseit Regular is the preferred typeface for the name of the Society.
